Presentation at Independents Club Business Plan Meeting

Dr. Juran Kato, the CEO of GEXVal, will present at the 447th Business Plan meeting held on June 25, 2021.

This Business Plan meeting has been held at venues across Japan for more than 20 years. To date, more than 400 meetings have been held, and more than 1000 companies have made a presentation. The meeting provides an opportunity for companies aiming at listing to present their business plan and exchange opinions and communicate with specialists from other fields, including venture capitalists who support entrepreneurs, financial institutions, attorneys, auditing firms, and persons from listed companies.

The presentation is scheduled for 15:00 as a webinar.
